Clinically substantiated to support gut health

Proprietary FenuMat<sup>®</sup> technology

Unique delivery of bioavailable oleoresin

Clean label and water-dispersible formulation

Responsibly sourced with full traceability

Low dosage of 250 mg per day

Asafin<sup>®</sup> is a patented and unique asafoetida gum oleoresin complex made from *Ferula asafoetida* that works to support gut health. Formulated with FenuMat<sup>®</sup>, Asafin<sup>®</sup> provides a taste-minimized experience and ensures a consistent release of bioactives to the intestines, enhancing overall bioavailability. Asafin<sup>®</sup>'s safety, efficacy, and unique mechanism of action have been clinically substantiated. With three compelling clinical studies behind it, Asafin<sup>®</sup> is remarkably efficacious in alleviating gastrointestinal discomforts, like occasional heartburn and acid indigestion, while simultaneously minimizing bloating and alleviating post-prandial fullness. It is also compatible with probiotics for co-delivery. Discover the power of the gut health revolution and the alleviation of gastrointestinal discomfort with Asafin<sup>®</sup>.

## CLINICALLY SUBSTANTIATED HEALTH OUTCOMES

- Alleviates gastrointestinal discomfort
- Alleviates bloating and fullness
- Reduces occasional heartburn
- Calms occasional acid indigestion

## APPLICATIONS

Tablets and capsules

Beverages and powders

Gummies and chews
