Clinically substantiated for women's health

Patented extraction and composition

Unique mechanism of action

Clean label and water-soluble formulation

Responsibly sourced with full traceability

Low dosage of 250 mg once or twice per day

FenuSmart[®] is a patented and unique fenugreek composition made from *Trigonella foenum graecum* seeds, standardized to deliver potent bioactives belonging to the families of saponins and alkaloids. Produced using a patented extraction and composition with a unique ratio of bioactives. FenuSmart[®]'s safety, efficacy, and unique mechanism of action have been clinically substantiated. With five compelling clinical studies behind it, FenuSmart[®] is remarkably efficacious in alleviating vasomotor discomforts related to menopause, restoring hormonal balance, and improving mood and well-being. Discover the power of transformative women's health support with FenuSmart[®].

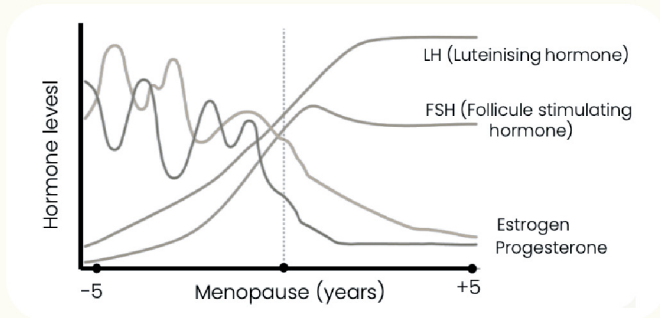

CLINICALLY SUBSTANTIATED HEALTH OUTCOMES

- Reduces vasomotor discomforts (hot flashes, night sweat, leg discomforts, vaginal dryness, and occasional sleeplessness)
- Restores hormonal balance
- Elevates mood and mental well-being
